

PRACTITIONER GROUP UPDATE: 5

Date: 19th March 2020

Email: andrew.millar.m@btinternet.com

Note: You are receiving this email circular because you are listed as a nominated member of the Neighbourhood Alert Practitioner Group. This is specifically for advanced access, testing and feedback of current and planned developments of the system. If you feel you should not be on this list, please reply to feedback@neighbourhoodalert.co.uk and I will remove you.

Dear Andrew Millar,

This is a really quick email to thank all of the Practitioner Group members who attended the online meetings this week. I really hope you found them useful and I do hope that the glimpse you have had of the new system has excited you.

As promised today's PG session was recorded for the benefit of those that could not make the meeting (or get the technology to work), this is now available for you to... enjoy.

Please click the image or link below to view the recording. If you struggle to view this on your work systems or don't have sound, this may be better viewed on a mobile device. If it is "buffering", please pause the stream for a few minutes to allow it to buffer on slower internet connections.

V4 PRACTITIONER GROUP NET-MEETING
Thursday 19th March 2020,
13:00-14:00

<https://www.screencast.com/t/g1y68epGGacx>

Key points and dates:

- As mentioned, we will send a progress update next Monday (23rd March) including an initial breakdown of the features we anticipate being included in the main and subsequent version releases.
- We aim to have all the error checking and final Pen-test elements done by the end of next week and will send you your much-awaited administrator access email on **Monday 30th March**.
- Please send screen shots of issues, suggestions and bugs, including where possible the developer console details to feedback@neighbourhoodalert.co.uk

Best regards

Mike Douglas
