

PRACTITIONER GROUP UPDATE: 1

Date: 3rd March 2020

DearCarolyn Mitchell,
Email: Carolyn.Mitchell@southlanarkshire.gov.uk

Note: You are receiving this email circular because you are listed as a nominated member of the Neighbourhood Alert Practitioner Group. This is specifically for advanced access, testing and feedback of current and planned developments of the system. If you feel you should not be on this list, please reply to feedback@neighbourhoodalert.co.uk and I will remove you.

Welcome to the first Practitioner Group message. I am sending this to you because you have been nominated or volunteered to assist us with the testing of the V4 Neighbourhood Alert system.

Firstly, thank you for agreeing to assist, without your ideas, testing and efforts we will not be able to deliver a solution that will meet everyone's expectations.

Sorry for the short notice on this one but we are planning to hold a number of online "introduction" meetings, the first one (as advertised) is at 10 am this morning. Please do not worry if you cannot make this the next ones are as follows:

Tuesday 17th 10am
Thursday 19th 13:00

We had hoped to have completed the initial online penetration test this week and be able to give you direct access to the system but, as with all things IT related, this has not gone to plan. However the online meeting today will show you the system and cover several points.

Access to the meeting:
