Just a quick update and correction to my message sent last night, the Practitioner Group online meetings are both this week. Corrected details are below along with a note about the number to dial. Apologies for any confusion caused and top marks to Anthony in West Mids for noticing my error.

Practitioner Group Meetings

We cancelled the face to face practitioner group meeting that was to be held this week on **20th March**, but we are holding two net-meetings this week on **Tuesday 7th MARCH** (TODAY) at 10am and **Thursday 19th MARCH** at 1pm.

The Practitioner Group have been notified separately about these meetings, the intentions and the web link to attend: <https://meet57018359.adobeconnect.com/a980151297/alert/?refresh-parent=true>

Phone number: The number to dial in on will be displayed on screen when you join the meeting.

Important: If you haven't received an invitation to join our net meetings, where we will give our emergency service partners access to familiarise themselves with some of the new functionality of V4 and provide some initial valuable feedback, and you wish to be involved, please email feedback@neighbourhoodalert.co.uk. We will add you to our contact list.

Best regards

Mike Douglas
