

NEIGHBOURHOOD ALERT DEV BOARD UPDATE: 61

Date: 26th August 2021

Note: You are receiving this email circular because you are listed as a key contact involved with your organisation's Neighbourhood Alert system, including senior administrators and members of the Practitioners' Group. If you feel you should not be on this list, please reply to feedback@neighbourhoodalert.co.uk and I will remove you.

Hello from all at VISAV. I hope you are coping with life's challenges, holiday season and these testing times with usual optimism and vigor?

This is a really quick update (phew), mainly to remind you about the V4 virtual meeting next week!

Also, a bit of news about the ever growing database and a final "Save the date" reminder for next years in-person Conference and Award Ceremony!

Mike

MON	TUE	WED	THU	FRI	SAT	SUN
		1	2	3	4	5
6	7	8	9	10	11	12
13	14	15	16	17	18	19
20	21	22	23	24	25	26
27	28	29	30			

🌐 UK, Ireland, Lisbon Time (1:24pm) ▼

If you have not booked into this yet, please don't miss out on the first virtual meeting to hear from key personnel from forces that have already adopted the Version 4 alert system.

Hear their honest feedback, ask questions, see a demonstration of some of the latest Main Admin and Rapport features.

The meeting is intended to enable you to make an informed decision regarding the timeline for your migration to V4 (if you are not already over).

Please use the link below to access the booking system.

<https://calendly.com/visavmike/v4-dev-board-pilot-review>

Note: Once you see the calendar, simply click on 1st September, and select the start time of 10am. The booking system will send you a confirmation email and a diary entry along with all the "Microsoft Teams" details.

Please feel free to share this invitation link with anyone within your organisation who you feel it would be relevant to.

One Million Users Target

We are very close to the amazing milestone of one million Alert users, I would ask again that we work towards making the figure as accurate as possible by carrying out some housekeeping tasks within your system to clear out any suspended users, comms issues and incommunicados. Please feel free to email support@neighbourhoodalert.co.uk if you

would like us to clear all of your suspended users etc or have any bulk housekeeping tasks you would like us to perform directly on the database.

[This dashboard](#) is a record of the accumulative (Version 1-3) database since 2008. The dip this month is the migration of the V4 areas over to the new database.

Neighbourhood Alert: User growth over time

2022 Conference and Awards Dinner: Save the Date

I have received some really positive feedback regarding having a bigger annual conference and awards ceremony in the New Year, it seems like everyone is up for a party after all the doom and gloom we have been through. The event will be an excellent opportunity to meet contacts in other forces, swap ideas and best practice and have some fun.

The dates for this is **Thursday 24th March (lunchtime start) and Friday 25th March 2022**, including a **black-tie awards dinner on the Thursday evening**.

The event as usual is free to clients, will mainly feature speakers from client forces and if you are a volunteer speaker, we even cover the accommodation.

Please pencil this date in your diary and we will be in touch with more information in due course.

Speaking of positive feedback, please have a glance at supportive comments from clients on this new page:

<https://www.neighbourhoodalert.co.uk/ValuingVISAV> (New ones are very welcome if you feel like sending me a statement).

Please note, the link below, which has been updated lately will enable you to access my diary and book a meeting with me to suit your schedule. Please feel free to use this anytime.
