How To: Login (cont.)

The screenshot shows a web browser window with the URL www.neighbourhoodalert.co.uk/admin/user_login.asp. The page title is "Neighbourhood Alert Administration Area". Below the title, it says "You are not currently logged in to the system." In the top right corner, there is a logo for "neighbourhood ALERT" with the tagline "Powered by" and "GROW ORGANISE COMMUNICATE". The main content area is a grey box titled "Please login" containing two input fields: "Username / E-mail address" and "Password". Below these fields is a button labeled "Log into system". Underneath the login box, there are two sections: "In a hurry?" which provides a link to "Rapport admin system", and "How to request a password reset" which provides a link to "click here" and an email address "support@neighbourhoodalert.co.uk".

In a hurry?
If you are logging on to do a quick task, see how to use [Rapport admin](#) and especially from a smart phone. Just go to [this page](#) and password.

How to request a password reset
If you have a .police.uk e-mail address please see [this page](#).
If you do not have a .police.uk e-mail address please see [this page](#).
If you are a system administrator (usually within Corporate Communications) please email support@neighbourhoodalert.co.uk with your details.
