Dear Clare,

DEVELOPMENT BOARD UPDATE: 2 RE: Local Policing Conference

I am writing to let you know that ACPO, Crimestoppers and the Collage of Policing are holding a national Local Policing Conference on the 13th November (next Thursday).

This is a prestigious event that will be attended by many senior officers with interests in Local Policing such as:

CC Simon Cole (ACPO Lead for Local Policing)
DCC Michael Banks (ACPO lead for Support Volunteers)
ACC Richard Bennett (Head of uniform Faulty, Collage of Policing)

Further information about the conference is available on the website:
<http://www.cjsevents.co.uk/13/71/local-policing-conference>

We have agreed to be the **Principle Sponsors** of the conference and we will be giving a 25 minute presentation at the event. The objective for our presentation will be to highlight the Neighbourhood Alert system and its three main elements: Community Messaging, The Survey Tool and our ability to deliver data to the front line police staff using a mobile interface.

If you are not already attending the event, please consider coming, we are certainly going to “plug” our fantastic partners as much as we can and highlight the great work you are all doing, it would be great to see you there. If you are not able to attend, you may want to check if anyone in Neighbourhood Policing is so you can brief them?

I would also like to thank the Forces that have and are helping me to record some short videos we will be presenting at the event.

Best Wishes

Mike Douglas
