

# NEIGHBOURHOOD ALERT DEV BOARD UPDATE: 36: CONFERENCE SURVEY

Date: 15<sup>TH</sup> October 2018

## The 2018 Neighbourhood Alert Conference

You'll be delighted to know that the 2018 Alert Conference is now over and I'm not going to be nagging you about it for another year! From feedback we have already had, the day seemed to go well and we'd like to say a **big thank you** to everyone who took the time to participate.

**Action:** whether you attended **or not**, could you please take what will, literally be, two minutes, to give us a bit of feedback about why you were unable to come or, if you did, what you thought about the event. Your feedback is vital for us to make any necessary improvement for future events.
